Parks and Recreation Troy Eskridge

The date for the **City Picnic** is set - **Sunday September 26th from 2-6**. I am really excited to bring back this tradition! I think I speak for many of you when I say I am looking forward to this opportunity to visit and fellowship with my neighbors. This year's picnic will have many of the traditional activities for young and old, but I would also like to make this one extra special. Sean Fore used to joke that the Thunderbirds were going to do a fly by. Well Sean, there are no flyovers planned but I do want to make it spectacular. If you have thoughts or ideas, or just want to help in the planning of the activities, please give Troy Eskridge a call/text at (502)690-1592.

Save the Date!

Golden Watch

Teresa Renninger

School has started and we need to be cautious of the cars coming in and out of the school. We all need to be aware, sometimes parents have their mind on something else when they are come out or going into school and fail to stop or yield right of way. So be very cautious when driving around the school area. I have also noticed we do have some neighborhood children who walk to and from school so please drive with caution.

Our Little Library in the park seems to be very popular. If you have some books you want to place in the library, please feel free to add them. The bottom shelf is for young children to read the top shelf is for teens and adults to read. Please keep on reading.

It is almost city picnic time! If you are on our golden watch list and want a plate brought to you or if you are not on the list but cannot come and want us to bring you a plate on the day of the event, please inform our officer or call city hall and leave a message (502)499-2352.

**As always,
If You See Something, Say Something!**

Police

Chief Steve Griffin

I hope everyone in the city is doing well. Things are moving along at the Police Department as we continue to work to provide better and better service to our community. We will be hiring a new Officer in September for our night shift. This addition will greatly increase our coverage during nighttime hours in the city. The Hurstbourne Acres Police Department is here to provide service to the citizens of this community so please do not hesitate to contact us if there is a problem or if anything seems suspicious to you. As I've said many times, I would rather get 100 calls that turn out to be nothing then to not get the one call that is something. Here are the best ways to contact the Hurstbourne Acres Police Department:

911:

(502)499-2352:

(502)553-7318:

In the event of an emergency, immediately contact 911 and they will dispatch the appropriate first responders to your location. **This is the City Hall/Police Department Office Phone.** Most times there is no one at City Hall and you will get a voice mail. Leave a message and we will return your call. **This is the Police Department Cell Phone.** Any Officer that is working will have this phone with them. This is the best way to speak directly with an Officer.

chief@hurstbourneacres.org: This is my e-mail if you wish to contact me directly in reference to any matter.

If you see something, say something.

COMMITTEE REPORTS

Park

Commissioner Eskridge said the Little Library in the Park looks great thanks to the husband of newsletter editor, Kim Bloomer. By all accounts it is being regularly used.

Regarding the required maintenance on the gazebo and picnic tables, only one company who could do all the work submitted a bid. The bid for power washing, painting, sanding, and refinishing the gazebo and picnic tables was \$5,000 plus another \$1000 for the repair of the gazebo roof. As explained by Commissioner Eskridge, the bid was within the budgeted amount, and the vendor

does professional work. The bid was approved by the Commission.

Specific details of the city picnic will be published in the newsletter. However, Commissioner Eskridge did state that the budget will be around \$8000 with Heitzman Bakery as the caterer. Because of COVID concerns, residents will not be asked to bring desserts this year. For activities, the plan is to have inflatables, face painting, crafts, and a band.

Sanitation

Commissioner Bohnenkamp advised that her article in the newsletter will provide details about the pickup schedule for the upcoming Labor Day weekend. She is also working on getting a trash bin on Blowing Tree Road over by the entrance gate to the soccer field.

Streets

In Commissioner Nichols' absence, there was no report this month though Mayor McAllister advised she has ordered "One Way" signs for Hurstbourne Lane as discussed at last month's meeting.

Police

Commissioner Renninger stated that the ABC renewal process has been completed. Also, as manager of the Rental Property forms, 16 have been received so far, with copies being sent to the clerk. New computers have been ordered for the police vehicles.

Old/New Business

American Rescue Plan

Mayor McAllister confirmed the City has received funds in the amount of \$156,000 but is still undetermined how the money can be spent. Another \$156,000 will be received next year. All money received must be used by 2026.

Illegal Business in the City

It was discovered a business is being run out of a residence on Cardwell Way which violates a City ordinance. Attorney Baker has been asked to send the owners a letter to cease and desist, and a police officer will deliver a copy of the ordinance in question.

There being no further business or discussion, the meeting was adjourned.

Respectfully Submitted,
Michael Bolten, City Clerk
